

Michal Negrin has been creating an internationally unique lifestyle for over two decades, offering vintage-inspired original hand-crafted jewelry, fashion and home décor. Since inception at a market stall in 1988 in Tel Aviv, Michal Negrin has become an exclusive recognized brand, continuing to expand in far corners around the globe.

With a crew of over 500 employees and more than 65 international concept stores in many countries, Michal Negrin stores offer a unique experience, attracting shoppers with our exclusive fragrances, music and magical atmosphere.

Twice a year Michal Negrin offers two major, and two mini collections in four categories: Classic, Lace, Movement and Vintage. All of our collections are hand-crafted, combining Swarovski crystals and offering large scale color combinations.

Michal Negrin's design is recognized and admired for its distinct unique signature. Michal's creations are timeless – and always remain fashionable.

Our Mission is to inspire women on every continent and in every country on the planet. By continually creating enchanting jewelry, fashion and home décor items, hand-crafted by masters from the finest materials, we enable our customers to express their unique individuality and style.
